

# STAY CONNECTED – TO FRIENDS, PEERS & INDUSTRY

The new networking platform by  
TUM Management Alumni e.V. &  
TUM School of Management

In cooperation with  
**CareerOS**

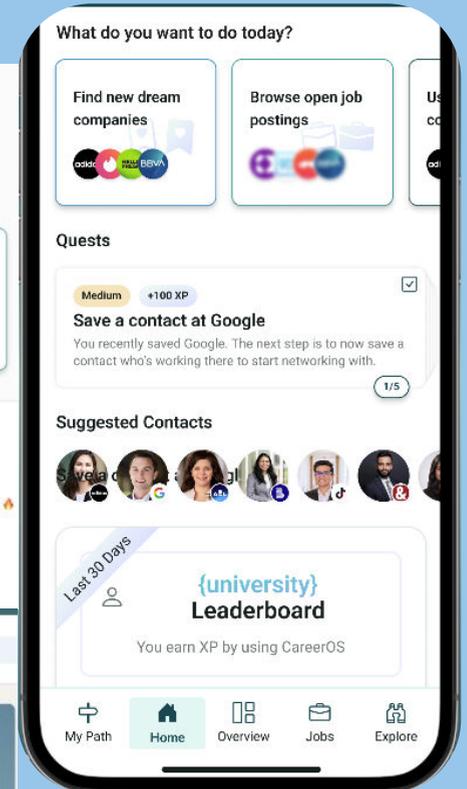

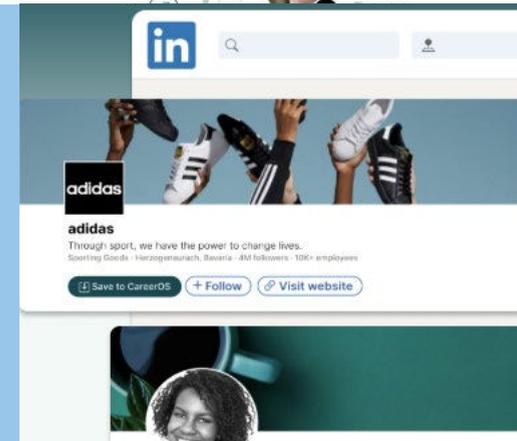

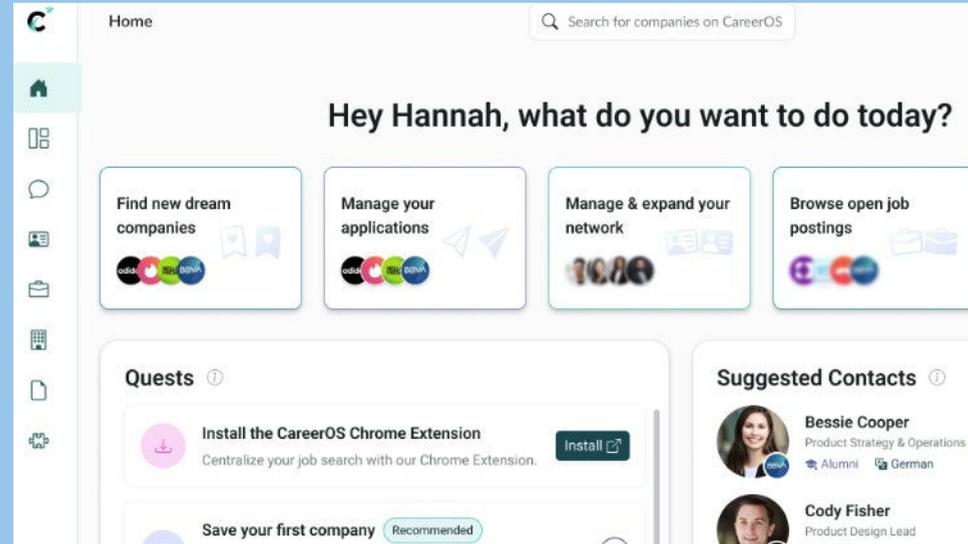

TUM School of Management  
Technical University of Munich

# KEY FEATURES – PROFESSIONAL NETWORKING

## Onboarding Manual

- Apply filters in your **search**: Find relevant **sectors, companies** and suggested **contacts** or apply a direct people search.
- **Organize** your networking progress via a **kanban board**.
- **Send a message**: AI support for different kinds of **outreach messages**.
- **Resume OS - CV upgrade or tailoring**: AI supported CV creation, quality-check or adjustment to specific job ads.
- Your **application process in one platform**: Connect your e-mail inbox and LinkedIn messages.

# KEY FEATURES – PERSONAL NETWORKING ALUMNI

## Onboarding Manual

- **Alumni Directory:** Find fellow alumni members of our association. Filter by profile uploads from our member database or active users.
- **Alumni Chat groups:** First chat group is **TUM Management Career OS Pioneers** with public access. We aim to provide **individual chat groups** per **cohort** (graduation year) with exclusive access. More chat groups can be directly requested (e.g. **special interest groups**) You can actively help to create your ideal environment.
