TALENTPOOL

Have employers find you!

The screenshot shows the TUM Event & Career Center website. At the top, there are navigation links: 'Jobs finden', 'Unternehmen entdecken', 'Events', and 'Karrietertips'. The main header includes the TUM logo and 'Event & Career Center' with the tagline 'empowered by JOBTASKER'. On the left, a user profile for 'Lea Dunkelmann' is shown, with details about her role as Admin and her education. Below the profile are navigation options for 'Studien', 'Lebenslauf', 'Gesprochene Sprachen', and 'Suchkriterien', along with a 'Mein Profil bearbeiten' button. The main content area features a '1-Klick Bewerbung' banner, an 'Event & Career Center Event-Highlight' section with a featured event 'AI@WORK - How AI is changing leadership, work and collaboration' (October 10th), and an 'Unternehmens-News' section with a webinar announcement. On the right, there are sections for 'Partnerunternehmen TUM Management Event & Career Center' (listing companies like Amazon, Check24, and Knauf), 'Nützliche Links' (including Alumni Member Database, TUM School of Management, Student Council, and TUM Career Service), and a '285 Stellenangebote' section with a 'Nach Datum' filter.

TUM Language Center

- **Language Courses**
